Lyons Tale

Ann,
You're the only
girl I know where we
go out that you can
squeek your shoes and make
noses with your jaw. Ha Ha
Hey the boy you are
that all-right. You could say that
you might be cute? Well anyway.
Good luck always.
I hope this time I'm
not.

Mr. Bellville:

We, the class of 1968, proudly dedicate this year's Lyons Tale to you, our friend and advisor. Words cannot express our deep gratitude for the time and effort you have so generously given to our class throughout the year.

Thank you, Mr. Bellville.

Class of 1968

Administrators

To be actively involved with the students but still to maintain authority; this is a lonely and heartfelt task.

This year brought to Lyons a dynamic and personable man, Mr. Boyd Paquin. With firm but reasonable judgment, he has guided our everyday lives as students at Lyons Central School. For this we thank him.

For the past four years, Mr. William E. Crane has been the district principal. A quiet, forceful man, he holds the respect of every Lyons Central School student. We are very fortunate to have him at Lyons.

Class History

We, the class of '68, began our freshman year with John Rooke as president and Mr. Horace Rees as our advisor. We held a bake sale and a dance during this year to raise money.

In our sophomore year, with Greg Smith as our president and Mr. Edward Gullo as our advisor, we had numerous dances. This year was full of excitement for us, as each of us chose the color for his school ring. This year LHS also gained the distinction of being the only school ever to have had a basketball game rained out.

During our junior year, our class was again headed by John Rooke, with Mrs. Edna Crane and Mr. Ronald Selvaggio as our advisors. Our year began and when we were informed on the first day of school that our rings had arrived and were waiting to be claimed. Later in the fall, in order to finance our prom, we sold Mason candy and earned $600. We again held a few dances during the winter. After much planning and hard work, the highlight of our year came on June 2 in the form of our Junior Prom, "Carousel."

We began our senior year guided by John Rooke as president and Mr. Robert Belleville as advisor. Our first project was the traditional magazine sale, from which we made $1,956.45. Part of this money was spent to finance our Senior Ball, the "Crystal Ship," which was held on December 22. In the spring, we presented our senior play after many exhausting, but rewarding rehearsals. Then we began planning our last function to be held as a class--our graduation party. We were determined to make it the gayest party the school had ever seen.

Although we may have sometimes felt things were not going our way, our years in LHS have truly been a very rewarding experience, and we have a long list of wonderful memories which will be ours to enjoy for the rest of our lives. We will leave LHS regretfully on June 24, and we will be forever grateful for the many things that were done for us to enable us to go on to lead richer, fuller lives.

Dear LHS!

It has been a wonderful experience to spend this year with you. As everyone showed such a warm and open attitude, I immediately felt at home. Lyons really has become my second home and when I go back, I will often be homesick for it.

This year has brought so many new and interesting things to me which I liked so much. I was sad when Lyons lost, but I was very happy when they won. But -- being an exchange student in Lyons is always being a winner. You gave me the impression I will always have from a typical American high school and town. And this impression is a very good one.

I want to say to all of you, "Dankeschon for everything," and "Auf Wiedersehen."

Irmi

Irmi

It is very difficult for me to express my AFS experience in Berlin, Germany, in only a few words. Through my family and friends I was able to live as a German and to learn many things. They taught me German customs and the German heritage of art, music, and castles. I became more aware of America's position in the world and also of communism. This became real to me through my visits to East Berlin. I will never forget the friendliness of all the people and the love and generosity of my family. And I will never forget that you, the students, and the people of Lyons made my trip possible.

Thank you!!

NOW IS TOMORROW

"You are young.

You have known so little.

But this world awaits you.

Run quickly, run gallantly, O child of tomorrow.

Do not just dream of adventure and fame.

Do not allow your precious life to ebb away

As the tide that slowly leaves the shore.

You are young.

But youth passes so quickly!

Do not let the world pass you by --- "

ALMA MATER

Far above all other high schools
Stands our L.H.S.;
We have always won the honors,
We will take no less.

Chorus:

Raise the chorus, speed it onward,
Let our voices ring;
Hail to thee, dear Lyons High School,
We shall ever sing.

In athletics and in classes
Lyons takes first place,
For we have the student body
That can set the pace.

The Student Council, meeting every Wednesday afternoon, is an elective body whose responsibilities are numerous. It provides a necessary link between the students and the administrators; it plans and organizes student activities; most important, it provides a means through which students can voice their grievances.

Among its many activities throughout the year are a homecoming parade in the fall, a winter weekend, and a carnival in the spring.

Yorker Club

The Yorker Club, which is open to seventh, eighth, and ninth grade students, has over seventy members.

The purpose of any Yorker Club is to encourage interest in community and state citizenship. This year the Lyons Club met with other Yorker Clubs in other schools of Wayne County. By doing this, they hoped to achieve better relationships with other schools, clubs, and students.

The Club plans to end the year with a trip to Cooperstown, New York, a center of our state's historical past.

Best of luck to the best

self going through hedrooms(?) from
neuron. Seriously you're a
good kid and I'm glad I
know you - only I wish I
had never ridden with -
Don't worry - I'll never
tell anyone our little secret -
See you around -

P.S. — If you ever need
anyone to ride with
you don't call me -
torture someone else —

Ann,

We're almost Juniors, aren't we. Boy, have we been through alot. Especially Macali. Ah we haven't really had any big fights this year. That's a change. I can remember when you had to ask who you were mad at from day to day.

And how about that Art Class? we got an education in there but not the right kind. Oh Brother!!!!!!!!!!!!!!!!!!!!!!

Lots of Luck & Love

Joanne

Ann,
Good luck

cute maybe and have got x
a nice personality. We've gone
through alot together haven't we?
Sometimes were rotten but others were
alot of fun together. You the only girl that
I've gone out with that's shoe squeaks and
jaw makes a funny noise. ~~it~~ Stay the way you
are. I hope I dont have to collect on that bet of ours
you already owe me $25.00. We ought to have alot of fun
at the Plant if Joan keeps her big mouth closed for once.
I hope this time last be cause if it doesn't there not going to
be another as far as I'am concerned. So lets make this one last.
Good luck always
Tim
